

Crazy Jump'n'Run
Team Tactic Shooter

Snow Fight

Two teams of kids playing
team deathmatch, capture the flag or
king of the hill on a lovely winter day.

You pick up snow and
make **snowballs**
to attack the other kids.

Continuous combatting at the
same position will make you
run out of snow
(-> No entrenching!)

If a ball of snow reaches a
certain size, it can be transformed
into a **special weapon!**

You can combine three
snowballs to form a big ball
of snow and have it
roll over enemies.
